Dated: August 24, 2022

OFFICE MEMORANDUM

Subject: Decision of the proposals of M/o Heavy Industries- Bharat Heavy Electricals Limited (BHEL)- req.

Ref.: - Cabinet Secretariat ID Notes 213/2/1/2020-CA.IV-(Vol. XIV) dated 12.08.2022 (copies enclosed).

Please refer to the Cabinet Secretariat ID Note 213/2/1/2020-CA.IV-(Vol. XIV) dated 12.08.2022 (copy enclosed), wherein the Competent Authority has requested to handhold local manufacturers so that local industry could be developed and prepared for the future demand of goods/ services required by government procuring entities. It is suggested that BHEL may identify the specific items for which domestic capacity and capability is not available in the country and such items/services are getting imported. For these items the exercise of developing local industry/vendors may be carried out by BHEL. DPIIT would be glad to associate/ contribute in such efforts for indigenization of the items undertaken in the country.

2. In view of the above, BHEL may please intimate their action plan along with tentative schedule etc. for convening of vendor development meeting associating the leading manufacturers and Industry Associations for the respective categories of products/ services.

3. This issues with the approval of Competent Authority.

Encl: as above

(Akhilesh Kumar) 24/8/22
Deputy Director General
